

Welcome

Welcome to the U.S. Fish and Wildlife's CD for the **Proposed Land Exchange Yukon Flats National Wildlife Refuge Final Environmental Impact Statement (EIS)**.

This CD is an interactive version of the Final EIS. For a quick overview, read Final EIS Summary or the abstract and executive summary in Volume 1 of the EIS.

Viewing the Final EIS on CD, Paper, or the Web Site

Whether you read the Final EIS on the CD, Web Site, or as a hardcopy, you will find that all formats contain the same information. However, the presentation on the CD and Web Site may differ slightly from what you see on the hardcopy version.

In order to view the files on the CDs, you will need the most recent version of Adobe® Reader®, or another software program that can read PDF files. You can download the free software by clicking on this link to connect to the Adobe® Web site: <http://get.adobe.com/reader/>.

Each section of the EIS is as separate files on the CD and Web Site. The files are as follows:
