TABLE OF CONTENTS

Volume 1

1	Introduction: Purpose of and Need for Action	1-1
1.1	Summary of Major Changes between the Draft and Final EIS	1-1
1.2	Proposed Action	1-1
1.3	Purpose of and Need for the Proposed Action	1-4
1.3.1	Background	1-4
1.3.2	Purpose and Need.....	1-6
1.4	Consistency with Laws, Regulations, Other Environmental Impact Statements, and Guidance Documents	1-9
1.4.1	Exchange Authority	1-9
1.4.2	Title XI of ANILCA	1-9
1.4.3	Environmental Impact Statements	1-10
1.4.4	Guidance Documents	1-11
1.4.5	Submerged Lands.....	1-11
1.4.6	Drainage of Federal Oil.....	1-13
1.5	Decisions to be Made	1-13
1.6	Cooperating Agencies	1-15
1.7	Public Involvement, Scoping, and Significant Issues	1-15
1.7.1	Public Involvement: Pre-Scoping	1-15
1.7.2	Public Involvement: Scoping	1-16
1.8	Public Review and Comment on the Draft EIS.....	1-20
1.9	Federal/State Permits and Approvals Required to Implement the Land Exchange.....	1-21
1.9.1	Executive Orders.....	1-21
1.9.2	Cultural Resources Compliance.....	1-22
1.9.3	Subsistence Evaluation	1-22
1.9.4	Essential Fish Habitat.....	1-23
1.10	Federal/State Permits and Approvals Required for Exploration and Development Activities	1-23
1.10.1	The Clean Water Act.....	1-23
1.10.2	The Clean Air Act	1-24
1.10.3	Other State Permits and Approvals	1-24
1.10.4	Other Federal Permits and Approvals	1-24
1.11	Organization of the EIS.....	1-25
2	Proposed Action and Alternatives	2-1
2.1	Summary of Major Changes between the Draft and Final EIS	2-1
2.2	Introduction	2-1

TABLE OF CONTENTS (Continued)

2.3 Development of Alternatives..... 2-2

 2.3.1 Negotiation History..... 2-2

 2.3.2 Oil and Gas Development Potential on Refuge and Doyon Lands..... 2-4

 2.3.3 Exchange Land Prioritization..... 2-5

 2.3.4 Equal Value Land Exchange..... 2-6

2.4 Alternatives Considered in Detail 2-10

 2.4.1 Proposed Action – Agreement in Principle..... 2-10

 2.4.2 Land Exchange with Non-Development Easements Alternative 2-15

 2.4.3 Land Exchange Excluding the White-Crazy Mountains Alternative..... 2-20

 2.4.4 Preferred Alternative - No Land Exchange Alternative (No Action Alternative)..... 2-23

 2.4.5 Summary of Lands Involved in Proposed Action and Alternatives..... 2-25

2.5 Alternatives Considered but Excluded from Further Analysis..... 2-25

 2.5.1 Leasing of Service Lands for Oil and Gas Development Alternative..... 2-25

 2.5.2 Consolidation of Lands without Oil and Gas Development Alternative..... 2-27

 2.5.3 Consolidation of Lands and Leasing of Service Lands for Oil and Gas
Development Alternative 2-27

 2.5.4 No Increase in Production Payments for Right-of-way and Lake Easements
Alternative..... 2-27

 2.5.5 Increased Production Payments for all Right-of-way Routes and Lake Easements
Alternative..... 2-30

 2.5.6 Service Retains Beaver Creek Corridor, No Increase in Production Payments
for Right-of-way, and Lake Easements Alternative 2-31

 2.5.7 Phased Development Alternative..... 2-31

2.6 Special Features of the Land Exchange..... 2-32

 2.6.1 Reallocation of ANCSA 12(b) Entitlement Lands..... 2-32

 2.6.2 Consolidation of Lands 2-32

 2.6.3 Non-Development Easement 2-33

 2.6.4 Subsistence Easements on Exchanged Lands 2-33

 2.6.5 Beaver Creek Public Use Easement..... 2-33

 2.6.6 Perpetual Production Payments..... 2-34

 2.6.7 Agreement to Sell Additional Lands if Development Occurs..... 2-34

 2.6.8 Compensation for Pipeline Right-of-Way 2-35

2.7 Incomplete and Unavailable Information..... 2-35

 2.7.1 Incomplete Information Concerning Future Oil and Gas Exploration and
Development 2-36

 2.7.2 Incomplete Information Concerning Doyon and Village Management of ANCSA
12(b) Lands within or Outside the Refuge 2-37

TABLE OF CONTENTS (Continued)

2.8	Responsiveness of Alternatives to Service and Doyon Goals.....	2-37
2.9	Responsiveness of Alternatives to Significant Issues	2-37
3	Affected Environment.....	3-1
3.1	Summary of Major Changes between the Draft and Final EIS	3-1
3.2	Introduction	3-1
3.3	Physical Resources	3-2
3.3.1	Climate and Air Quality of Yukon Flats.....	3-4
3.3.2	Geology and Geologic Hazards	3-8
3.3.3	Oil, Gas, and other Mineral Resources	3-11
3.3.4	Soil	3-18
3.3.5	Paleontologic Resources	3-19
3.3.6	Water Resources	3-19
3.4	Biological Resources.....	3-30
3.4.1	Biological Integrity, Diversity, and Environmental Health	3-30
3.4.2	Ecoregions.....	3-31
3.4.3	Wildland Fire	3-31
3.4.4	Vegetation	3-32
3.4.5	Fish and Essential Fish Habitat.....	3-40
3.4.6	Birds.....	3-45
3.4.7	Mammals.....	3-56
3.4.8	Threatened and Endangered Species.....	3-64
3.5	Sociocultural Resources	3-66
3.5.1	Land Use and Recreation	3-66
3.5.2	Wilderness and Wild and Scenic Rivers	3-76
3.5.3	Visual Resources.....	3-79
3.5.4	Hazardous Materials and Solid Waste	3-80
3.5.5	Socioeconomics	3-81
3.5.6	Cultural Resources	3-102
3.5.7	Subsistence.....	3-108
3.5.8	Health.....	3-150
4	Environmental Consequences.....	4-1
4.1	Summary of Major Changes between the Draft and Final EIS	4-1
4.2	Introduction – Preview of this Section.....	4-1
4.3	Land Management.....	4-2

TABLE OF CONTENTS (Continued)

4.4	Assumptions about Future Oil and Gas Exploration and Development.....	4-4
4.4.1	Where Future Oil and Gas Exploration and Development Might Occur	4-4
4.4.2	Exploration Activities that Might Occur	4-5
4.4.3	Oil Development That Might Occur	4-18
4.5	Assumptions About Future Oil Spills	4-28
4.5.1	Expected Oil Spills Based on North Slope Spill Rates and Volumes	4-29
4.5.2	Oil Spill Scenarios	4-30
4.6	Effects on Air Quality and Climate	4-37
4.6.1	Effects of Proposed Action on Air Quality and Climate.....	4-37
4.6.2	Effects of the Land Exchange with Non-Development Easements Alternative on Air Quality and Climate	4-44
4.6.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Air Quality and Climate	4-44
4.6.4	Effects of the No Land Exchange Alternative on Air Quality and Climate.....	4-44
4.7	Effects on Geology and Geologic Hazards, Soil, Paleontological Resources, and Oil and other Mineral Resources	4-44
4.7.1	Effects of the Proposed Action on Geology and Geologic Hazards, Soils, Paleontological Resources, and Oil and Other Mineral Resources	4-45
4.7.2	Effects of the Land Exchange with Non-Development Easements Alternative on Geology and Geologic Hazards, Soils, Paleontological Resources, and Oil and Other Mineral Resources.....	4-49
4.7.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Geology and Geological Hazards, Soils, Paleontological Resources, and Oil and Other Mineral Resources	4-50
4.7.4	Effects of the No Land Exchange Alternative on Geology and Geologic Hazards, Soils, Paleontological Resources, and Oil and Other Mineral Resources	4-51
4.8	Effects on Water Resources, Water Quality, and Hydrology	4-52
4.8.1	Effects of the Proposed Action on Water Resources, Water Quality, and Hydrology.	4-52
4.8.2	Effects of the Land Exchange with Non-Development Easements Alternative on Water Resources, Water Quality, and Hydrology	4-56
4.8.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Water Resources, Water Quality, and Hydrology	4-56
4.8.4	Effects of the No Land Exchange Alternative on Water Resources, Water Quality, and Hydrology.....	4-57
4.9	Effects on Biological Integrity, Diversity, and Environmental Health	4-58
4.9.1	Effects of the Proposed Action on Biological Integrity, Diversity, and Environmental Health	4-59
4.9.2	Effects of the Land Exchange with Non-Development Easements Alternative on Biological Integrity, Diversity, and Environmental Health.....	4-64

TABLE OF CONTENTS (Continued)

4.9.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Biological Integrity, Diversity, and Environmental Health.....	4-64
4.9.4	Effects of the No Land Exchange Alternative on Biological Integrity, Diversity, and Environmental Health.....	4-65
4.10	Effects on Refuge Purposes.....	4-65
4.10.1	Effects of the Proposed Action on Refuge Purpose.....	4-66
4.10.2	Effects of the Land Exchange with Non-Development Easements Alternative on Refuge Purpose.....	4-70
4.10.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Refuge Purpose.....	4-71
4.10.4	Effects of the No Land Exchange Alternative on Refuge Purpose.....	4-72
4.11	Effects on Vegetation, Wetlands, and Floodplains.....	4-73
4.11.1	Effects of the Proposed Action on Vegetation, Wetlands, and Floodplains.....	4-73
4.11.2	Effects of the Land Exchange with Non-Development Easements Alternative on Vegetation, Wetlands, and Floodplains.....	4-86
4.11.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Vegetation, Wetlands, and Floodplains.....	4-87
4.11.4	Effects of the No Land Exchange Alternative on Vegetation, Wetlands, and Floodplains.....	4-89
4.12	Effects on Fish and Essential Fish Habitat.....	4-89
4.12.1	Effects of the Proposed Action on Fish and Essential Fish Habitat.....	4-89
4.12.2	Effects of the Land Exchange with Non-Development Easements Alternative on Fish and Essential Fish Habitat.....	4-95
4.12.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Fish and Essential Fish Habitat.....	4-96
4.12.4	Effects of the No Land Exchange Alternative on Fish and Essential Fish Habitat.....	4-97
4.13	Effects on Birds.....	4-97
4.13.1	Effects of the Proposed Action on Birds.....	4-98
4.13.2	Effects of the Land Exchange with Non-Development Easements Alternative on Birds.....	4-109
4.13.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Birds.....	4-113
4.13.4	Effects of the No Land Exchange Alternative on Birds.....	4-117
4.14	Effects on Mammals.....	4-117
4.14.1	Effects of Proposed Action on Mammals.....	4-117
4.14.2	Effects of the Land Exchange with Non-Development Easements Alternative on Mammals.....	4-126
4.14.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Mammals.....	4-127
4.14.4	Effects of the No Land Exchange Alternative on Mammals.....	4-131

TABLE OF CONTENTS (Continued)

4.15	Effects on Threatened and Endangered Species.....	4-131
4.16	Effects on Land Use and Recreation	4-131
4.16.1	Effects of the Proposed Action on Land Use and Recreation.....	4-132
4.16.2	Effects of the Land Exchange with Non-Development Easements Alternative on Land Use and Recreation	4-137
4.16.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Land Use and Recreation	4-138
4.16.4	Effects of the No Land Exchange Alternative on Land Use and Recreation	4-139
4.17	Effects on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas	4-140
4.17.1	Effects on 1987 Wilderness Review Units.....	4-140
4.17.2	Effects of the Proposed Action on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas.....	4-142
4.17.3	Effects of the Land Exchange with Non-Development Easements Alternative on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas ..	4-169
4.17.4	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas	4-170
4.17.5	Effects of No Land Exchange Alternative on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas.....	4-172
4.18	Effects on Visual Resources.....	4-172
4.18.1	Effects of the Proposed Action on Visual Resources.....	4-173
4.18.2	Effects of the Land Exchange with Non-Development Easements Alternative on Visual Resources	4-179
4.18.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Visual Resources	4-179
4.18.4	Effects of the No Land Exchange Alternative on Visual Resources.....	4-180
4.19	Effects on Socioeconomics	4-180
4.19.1	Effects of Proposed Action on Socioeconomics	4-181
4.19.2	Effects of the Land Exchange with Non-Development Easements on Socioeconomics.....	4-189
4.19.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Socioeconomics.....	4-189
4.19.4	Effects of No Land Exchange Alternative on Socioeconomics	4-189
4.20	Effects on Cultural Resources	4-190
4.20.1	Effects of Proposed Action on Cultural Resources.....	4-192
4.20.2	Effects of Land Exchange with Non-Development Easements Alternative on Cultural Resources	4-197
4.20.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Cultural Resources	4-199
4.20.4	Effects of the No Land Exchange Alternative on Cultural Resources	4-203

TABLE OF CONTENTS (Continued)

4.21	Effects on Subsistence.....	4-203
4.21.1	Effects of Proposed Action on Subsistence.....	4-203
4.21.2	Effects of the Land Exchange with Non-Development Easements Alternative on Subsistence.....	4-213
4.21.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Subsistence.....	4-214
4.21.4	Effects of No Land Exchange Alternative on Subsistence	4-220
4.22	Effects on Environmental Justice.....	4-220
4.22.1	Economic Effects	4-221
4.22.2	Social Effects	4-222
4.22.3	Subsistence Effects	4-223
4.23	Effects on Human Health	4-225
4.23.1	Effects of the Proposed Action on Human Health	4-226
4.23.2	Effects of the Land Exchange with Non-Development Easements Alternative on Human Health	4-234
4.23.3	Effects of the Land Exchange Excluding the White-Crazy Mountains Alternative on Human Health	4-234
4.23.4	Effects of the No Land Exchange Alternative on Human Health	4-234
4.24	Cumulative Effects.....	4-234
4.24.1	Scoping Issues Related to Cumulative Effects.....	4-234
4.24.2	Temporal Limits of the Cumulative Effects Analysis.....	4-235
4.24.3	Geographic Limits of the Cumulative Effects Analysis.....	4-235
4.24.4	Activities Considered in the Cumulative Effects Analysis	4-235
4.24.5	Cumulative Effects on Air Quality and Climate	4-241
4.24.6	Cumulative Effects on Geology and Geologic Hazards, Soils, Paleontological Resources, and Oil and Other Mineral Resources.....	4-244
4.24.7	Cumulative Effects on Water Resources, Water Quality, and Hydrology.....	4-247
4.24.8	Cumulative Effects on Biological Integrity, Diversity, and Environmental Health...	4-251
4.24.9	Cumulative Effects on Refuge Purposes.....	4-256
4.24.10	Cumulative Effects on Vegetation, Wetlands, and Floodplains	4-260
4.24.11	Cumulative Effects on Fish and Essential Fish Habitat	4-265
4.24.12	Cumulative Effects on Birds	4-269
4.24.13	Cumulative Effects on Mammals	4-273
4.24.14	Cumulative Effects on Threatened and Endangered Species.....	4-276
4.24.15	Cumulative Effects on Land Use and Recreation.....	4-277
4.24.16	Cumulative Effects on Wild and Scenic Rivers, Wilderness Values, and Other Special Areas.....	4-280

TABLE OF CONTENTS (Continued)

4.24.17 Cumulative Effects on Visual Resources..... 4-282

4.24.18 Cumulative Effects on Socioeconomics 4-283

4.24.19 Cumulative Effects on Cultural Resources 4-288

4.24.20 Cumulative Effects on Subsistence..... 4-292

4.24.21 Cumulative Effects on Environmental Justice 4-297

4.24.22 Cumulative Effects on Human Health 4-300

4.25 Unavoidable Adverse Effects 4-303

4.25.1 Air Quality and Climate..... 4-303

4.25.2 Geology and Geologic Hazards, Soil, Paleontological Resources, and Oil and
other Mineral Resources..... 4-304

4.25.3 Water Resources, Water Quality, and Hydrology..... 4-304

4.25.4 Biological Integrity, Diversity, and Environmental Health 4-304

4.25.5 Refuge Purposes..... 4-305

4.25.6 Vegetation, Wetlands, and Floodplains 4-305

4.25.7 Fish and Essential Fish Habitat..... 4-306

4.25.8 Birds 4-306

4.25.9 Mammals..... 4-306

4.25.10 Threatened and Endangered Species..... 4-306

4.25.11 Land Use and Recreation 4-307

4.25.12 Wild and Scenic Rivers, Wilderness Values, and Other Special Areas..... 4-307

4.25.13 Visual Resources..... 4-307

4.25.14 Socioeconomics 4-307

4.25.15 Cultural Resources 4-308

4.25.16 Subsistence..... 4-308

4.25.17 Environmental Justice..... 4-308

4.25.18 Human Health..... 4-309

4.26 Relationship between the Local Short-term Uses and Maintenance and Enhancement
of Long-term Productivity..... 4-309

4.26.1 Air Quality and Climate..... 4-309

4.26.2 Geology and Geologic Hazards, Soils, Paleontological Resources, and Oil and
Other Mineral Resources..... 4-310

4.26.3 Water Resources, Water Quality, and Hydrology..... 4-310

4.26.4 Biological Integrity, Diversity, and Environmental Health 4-310

4.26.5 Refuge Purposes..... 4-311

4.26.6 Vegetation, Wetlands, and Floodplains 4-311

4.26.7 Fish and Essential Fish Habitat..... 4-311

TABLE OF CONTENTS (Continued)

4.26.8	Birds.....	4-312
4.26.9	Mammals.....	4-312
4.26.10	Threatened and Endangered Species.....	4-312
4.26.11	Land Use and Recreation.....	4-312
4.26.12	Wild and Scenic Rivers, Wilderness Values, and Other Special Areas.....	4-313
4.26.13	Visual Resources.....	4-313
4.26.14	Socioeconomics.....	4-313
4.26.15	Cultural Resources.....	4-313
4.26.16	Subsistence.....	4-313
4.26.17	Environmental Justice.....	4-314
4.26.18	Human Health.....	4-314
4.27	Irreversible and Irretrievable Commitment of Resources.....	4-314
4.28	Energy Requirements and Conservation.....	4-315
5	Consultation and Coordination.....	5-1
5.1	Introduction.....	5-1
5.2	Formal Scoping.....	5-1
5.3	Agency and Organization Meetings.....	5-2
5.3.1	Federal Agencies.....	5-2
5.3.2	State of Alaska Agencies.....	5-2
5.3.3	Organizations.....	5-2
5.4	Public Review and Comment on the Draft EIS.....	5-2
5.5	Government-to-Government Consultation.....	5-3
5.6	Development of the Final Preferred Alternative.....	5-5
5.7	List of Preparers of the Draft and Final EIS.....	5-6
